- Lead Capture Fact Sheet -

The Lead Capture System is a fast and easy way for exhibitors to record delegate contact information. By simply scanning a delegate's name badge with the supplied scanner the contact is entered into your own visitor database which will be set up by K.I.T. Group.

Enjoy the following features:

- ❖ Manage your own online portal with customized qualifiers
- ❖ Track 24/7 real time leads
- ❖ Scan delegate badges at your Industry Symposia
- ❖ Add personal notes or questions electronically to tailor your results
- ❖ Create online surveys
- ❖ Summarize and download up-to-date statistics
- ❖ Edit participant data
- ❖ Write notes with pen
- ❖ The system is completely battery operated
- ❖ Quick and easy to order through ESOS™
- ❖ Onsite support by K.I.T. Group
